

REMARKS

Election of Figures 1-15 has been made and claims 4-8 cancelled to continue prosecution of the present invention.

The present amendment to the claims is made to expedite prosecution, however, it is specifically noted for the record that the Applicants do not "acquiesce" with regard to any inference with regard to the patentability of cancelled claims. The Applicants reserve the right to file divisional applications on these claims and to reintroduce the claims if appropriate.

A request for a one-month extension is enclosed along with a check in the amount of \$60.

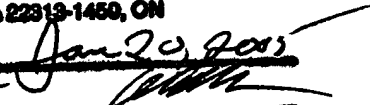

Please charge any further additional fees or credit any amount to deposit account no. 08-0114.

Respectfully submitted,
